OBJECTIVE

Self-driven and adaptable MCA graduate with a strong interest in application development and modern software technologies. Experienced in building web applications, problem-solving, and data-driven projects. Seeking an opportunity to enhance technical expertise and contribute effectively in a professional work environment.

TECHNICAL SKILLS

- Programming skills: C, Python, JavaScript, Bootstrap, SQL
- Machine Learning: Linear Regression, Data Preprocessing, Feature Engineering, Model Evaluation.
- Web Technologies: HTML, CSS

PROJECTS

FLIGHT FARE PREDICTION USING MACHINE LEARNING

- Project objective: Developed a machine learning-based web application to predict airline ticket fares using historical flight datasets and user travel inputs.
- Flight parameters analyzed: The project analyzed important factors such as airline, source city, destination city, departure time, arrival time, journey duration, travel class, number of stops, and days left before departure.
- Data preprocessing and feature engineering: Performed data preprocessing, label encoding, normalization, feature engineering, and exploratory data analysis (EDA) using Pandas and NumPy.
- Machine learning implementation: Implemented a Linear Regression model using Scikit-learn and evaluated performance using R^2 Score, MAE, MSE, and RMSE metrics.
- Technologies and tools used: Python, Flask, HTML, CSS, JavaScript, REST APIs, Pandas, NumPy, Scikit-learn, and Joblib for backend integration and real-time prediction functionality.

LONG TERM VIRTUAL INTERNSHIP ON DATA ANALYTICS

- Completed a virtual internship focused on data analytics, data preprocessing, visualization, and analytical problem-solving using Python, Pandas, and NumPy.
- Gained practical exposure to dataset handling, data interpretation, and extracting meaningful insights from structured datasets.

EDUCATION

Post Graduation

Andhra University

- Master of Computer Applications (MCA)

OCT 2023 - AUG 2025
CGPA - 8.26

Under Graduation

Pydah Degree College

- Bachelor of Science (MPCs)

NOV 2020 - AUG 2023
CGPA - 7.2

INTERMEDIATE (MPC)

- Narayana Junior college

JUN 2018 - MAR 2020
CGPA-8.7

SSC

- Bharathi EM High School

JUN 2017 - APR 2018
CGPA – 8.3

ADDITIONAL INFORMATION

- **Languages:** English, Telugu
- **Certifications:** C Programming Certificate
